Please join us for **Colleen's BA 5K and 1 Mile Fun/Run Walk**, established in memory of Colleen Mitchel, who attended Grace Episcopal Day School in Kensington and WJ High School in Bethesda. Colleen was born with biliary atresia (the most serious liver disease of infancy and childhood), had a liver transplant at 7 months old, and died in 2013 at 19 years old, while awaiting another liver transplant. She was a sophomore at the University of Michigan.

Proceeds support biliary atresia (BA) research at the Johns Hopkins Pediatric Liver Center in Baltimore and organ donation awareness.
